Hi there,

Raise your hand if you want to make the most of Semrush for free!

Here are 5 ways you can do just that with the Semrush free trial:

- **Find new profitable keywords** to power up your SEO strategy for months to come
- **Catapult your content to page #1** and get more leads
- **Create new blog posts** that are destined to rank in search
- **Optimize** your advertising spend
- **Uncover competitor marketing strategies** and find new opportunities to grow your reach
